Location Port Hedland, Karratha & Pilbara/Western Australia Employment type Full-Time Job

Description Req#: 676176 UGL is seeking Expression of Interest from experienced

Scaffold Scopers to join our site based team for a turnaround commencing early April 2024.

This opportunity will run for 6 -7 months with the potential of it rolling into ongoing work.

Point of Hire will be Perth on a 2/2 Roster. What makes you right for UGL - Genuine concern

for safety - Capacity to flourish in a high-performance environment - An innovative mindset

and a willingness to challenge the norm About the role - Assess scope of works and

develop detailed project schedules - Develop progress and performance reports - Prepare

manning and cost forecasts - Provide technical expertise in all planning and scheduling

activities About you - Significant recent planning experience, ideally in LNG brownfield

projects - Demonstrated proficiency in P6 - Knowledge and expertise of planning practices and

standards - Ability to work under pressure, meet deadlines and act decisively What we offer

- Opportunities to back yourself, grow and achieve - The chance to join one of the world's

leading international contractors - Pathways for you to succeed and room for you to carve

your own journey - Attractive benefits including company-funded salary continuance

insurance - A culture that values diversity and innovation What makes you right for UGL -

Genuine concern for safety - Capacity to flourish in a high-performance environment - An

innovative mindset and a willingness to challenge the norm - A belief that success and

value are best created when everyone plays a part About us UGL Pty Limited is a leading

provider of end-to-end engineering, construction and maintenance services. We are

active across rail and transport, communications and technology systems, oil and gas, power,

renewables and resources, water and defence markets. UGL partners with some of the world's largest blue-chip companies and government agencies, private enterprises and public institutions. We are a member of the CIMIC Group of companies. As a diversified services organisation, UGL appreciates the diversity and richness of its people, and seeks to create inclusive environments that promote your talent and skills. Reference # 258810 About the company UGL, formerly known as United Group, is an engineering company. #J-18808-Ljbffr
