Seeking a CA/CPA qualified Accountant

Competitive Remuneration

Join DFK PA Partners Pty Ltd

DFK PA Partners is a progressive chartered accounting firm seeking an ambitious tax accountant looking to work on a portfolio of clients. Our mission is to provide comprehensive accounting and financial services that empower our clients to achieve their financial goals. As a member of DFK International, we adhere to the highest industry standards, ensuring excellence in every aspect of our work. We offer a full range of accounting services including Business Advisory, Taxation, Superannuation, Corporate Finance and Corporate Secretarial in Perth, established around 30 years ago and based in Western Australia, we have a deep understanding of the local business landscape. Our affiliation with DFK ANZ and DFK International expands our reach, allowing us to serve clients across Australia and around the world.

Our team of dedicated professionals brings decades of experience in accounting, taxation, and business advisory. We know that our team members are the reason for our success.

The Role

Managing a portfolio of clients.

Establishing and monitoring budgets including Capex and cash flow analysis

Drive the end-to-end financial management process, including General Ledger management, Fixed assets, month-end closures, and preparation of detailed financial reports.

Preparing timely analysis of results for the senior leadership and monthly board meetings, involvement in strategic business planning

Preparation and review of financial statements including Public listed companies.

Working closely with a diverse group of clients and providing full compliance as well as value added services.

Foster strong relationships across the organisation and be a key member of the management team.

To apply:

At least 3 years' experience in a similar role

CA/CPA qualified accountant essential.

Strong understanding of accounting concepts, including financial reporting.

Technical competency, AASB and IFRS

Strong MS Office skills, with intermediate/advanced MS Excel.

Experience using financial systems including leading ERPs.

Excellent written and oral communication skills

Proven track record in achieving results with the ability to prioritise, work in accordance with reporting needs.

Ability to identify opportunities for improvement in the financial management and the

subsequent proactive management of such opportunities.

Confident in decision making and ability to work with minimal supervision.

Flexibility to adapt and respond to changes emerging in a rapid paced environment.

Ability to work under pressure and to tight timeframes.

Ability to provide Leadership to a medium sized team.

In return:

Opportunities to enhance your skills by participating in national and international conferences.

Be part of an international firm.

Great career progression opportunities for the right candidate.
