Company: Data Annotation

Location: Newcastle

Category: life-physical-and-social-science

DataAnnotation is committed to creating quality AI. Join our team to help train AI chatbots while gaining the flexibility of remote work and choosing your own schedule.

We are looking for a professional content writer and copy editor to join our team and teach AI chatbots. You will have conversations with chatbots in order to measure their progress, as well as write novel conversations in order to teach them what to say.

Benefits:

- This is a full-time or part-time **REMOTE** position
- You'll be able to choose which projects you want to work on
- You can work on your own schedule
- Projects are paid hourly, starting at \$20 USD per hour, with bonuses for high-quality and high-volume work

Responsibilities:

- Come up with diverse conversations over a range of topics
- Write high-quality answers when given specific prompts
- Compare the performance of different AI models
- Research and fact-check AI responses

Qualifications:

- Fluent in English
- A bachelor's degree (completed or in progress)
- Excellent writing and grammar skills
- Strong research and fact-checking skills to ensure accuracy and originality
- Previous experience as a Freelance Writer, Content Writer, Editor, Copywriter, Copy Editor, or those with experience in journalism and/or media is preferred but not required

Note: Data Annotation payment is made via PayPal. We will never ask for any money from you. PayPal will handle any currency conversions from USD. If you are applying from any country outside of the US, Canada, the UK, Ireland, Australia, or New Zealand and sign up, please note that you will NOT receive a link as we are NOT taking applicants outside of those countries at this time. If you are applying from within those countries, it is possible to experience a 2 week delay, as we are currently receiving a significant number of applications, and work and pay can fluctuate based on project availability and the skillsets found in the assessment.
