

## Applications Analyst

[Apply Now](#)

Company: West Recruitment

Location: Australia

Category: computer-and-mathematical

- Up to \$120,000 + unique tax-free benefits
- Western Sydney location - Hybrid working arrangements
- Large ongoing tech transformation projects

### About Your New Employer

The organisation is well-known for its commitment to serving those in need throughout Australia. Based in Western Sydney they are in the process of implementing huge tech transformation projects.

### About your new role

We are looking for a switched-on HRIS Applications Analyst that has solid support experience with Chris21 (or similar) and shares the same values and motivations in working for a non-profit organisation.

Some of the key tasks aligned to this role will include:

- Maintaining and configuring Chris21 HRIS System including integration with other systems.
- Making sure the Chris21 system properly records information.
- Maintain good external relationships with services and support providers.
- Planning of data backup procedures and fall-back strategies.

### About you

- 2+ years of experience working in an Application Support or Application Analyst role.
- Proven knowledge and expertise with Chris21 or similar HRIS system.
- Experience in supporting enterprise-level applications.

•Well-versed in explaining technical information to non-technical people.

What's in it for You?

•Friendly and relaxed working environment.

•Competitive salary and true work/life balance through hybrid working arrangements.

•Up to \$15,900 of your income tax-free and \$2650 for accommodation, meals, and entertainment.

•Discounts to over 300+ retailers.

•Free well-being resources.
