Apprentice - Mechanical

Description

1st Year Heavy Vehicle Mechanical Apprenticeship – MACKAY – 2024 ASAP START!

Working in the Mackay workshop, under the supervision of a qualified Cummins Technicians and Supervisors.

With Cummins you will learn everything that comes with the diagnosis and repair of Cummins engines and products, including on-highway, mining and industrial.

Cummins are dedicated to diversifying our workforce and encourage Indigenous Australians, women, and individuals with a disability to apply for our apprenticeship programs. Mature age applicants are also encouraged to apply.

What's in it for you?

Earn while you learn

Obtain a nationally recognized qualification

Complete formal TAFE/Registered Training Organization study

Receive structured on the job training

Gain your experience working on a range of our world class Cummins engines

Product specific training with our very own Cummins Technical Trainers

About you

Cummins are looking for applicants with the following attributes:

Completed Year 12 preferred

A positive attitude and eagerness to learn

The ability to work well in a team

Good level of language, literacy, and numeracy skills

Right to work in Australia

Driver's License preferred

Work experience in relevant industry is advantageous!

At Cummins, we are an equal opportunity employer dedicated to diversity in the workplace. Our policy is to provide equal employment opportunities to all qualified persons without regard to race, gender, colour, disability, national origin, age, religion, union affiliation, sexual orientation, veteran status, citizenship, gender identity and/or expression, or other status protected by law.

We are proud to be recognised as a WORK180 Endorsed Employer for All Women. Click here <https://au.work180.co/employers/cummins-australia> to find out more.

We believe in flexibility for you to explore your passions while making an impact through meaningful work within our inclusive workforce. That's what #LifeAtCummins is all about.
