

## Aps4 Test Analyst

[Apply Now](#)

Company: Paxus

Location: Melbourne

Category: other-general

Our Federal Government client is seeking an experienced Test Analyst to join their Melbourne or Canberra team. This is a fixed term role with the view of becoming permanent. This role is open for Australian Citizens only.

Fixed term contract until 30th of January 2025 with the view of becoming permanent. Open for Melbourne and Canberra candidates Hybrid working model ( 3 days from office and 2 days from home). Attractive salary \$70,166 to \$78,923 + 15.4% contribution to superannuation. Paid 4-weeks of annual leave and sick leave. As a member of a team, your duties may include: Independently undertake systems and process testing to meet program needs within tight deadlines; Support the gathering and refinement of DA system requirements and acceptance criteria; Support platform upgrades; Raise test defects, enhancements, and system changes in line with the priority framework which considers business and onboarding requirements; Support other team members to develop expertise in the DA Products and processes; Engage with business testing stakeholders and maintain stakeholder relationships. To be considered for this role you must:

- Ability to work independently as part of a broader team to deliver time critical tasks.
- Understanding of SDLC and Agile methodology.
- Good communication, collaboration and stakeholder engagement skills.
- Ability to write and execute test scripts, record test evidence, raise test defects and follow

escalation procedures.

· Experience with Jira, Xray, Pega, Confluent, Informatica

When inquiring about the role, please quote the job number #265382

To be considered for the role click the 'apply' button or for more information about this and other opportunities please contact Irina Alrogi on +61 (0)2 6151 9203 or email: \*\*\*\*\* and quote the above job reference number. Paxus values diversity and welcomes applications from Indigenous Australians, people from diverse cultural and linguistic backgrounds and people living with a disability.
