

Asset Analysis & Reporting Specialist

[Apply Now](#)

Company: Thiess

Location: Brisbane

Category: other-general

Everyday, all around the world, Thiess supports and celebrates our people. We recognise talent and reward transparency. We champion diversity and embrace change. Join us.

Hone your skills and develop new ones. Take on big challenges and grow, through mentorship, collaboration and empowerment. Thiess is the place to make things happen.

About The Role Thiess is seeking an Asset Finance Specialist to provide Analysis & Reporting support for our asset management and asset finance teams. Based in our Brisbane Head Office, you will support the analysis and interpretation of global asset finance results and trends, as well as the development of budgets and forecasts. With Thiess, you will have the opportunity to work alongside industry experts and contribute to projects that are reshaping asset management through advanced analysis and reporting.

Additionally, you will: Assist in analysing asset finance results and trends globally. Aid in preparing budgets and forecasts for regional asset teams, with a focus on capital additions, repair and maintenance (R&M), and disposals, ensuring accuracy and compliance with corporate standards. Help in reporting to monitor capital expenditure (capex) and R&M spending against the budget, identifying variances and areas for improvement. Assist in developing monthly and quarterly asset management reports, ensuring data accuracy and providing basic analysis Collaborate with the corporate Finance team to assist in driving system improvements for better alignment between finance reporting tools (e.g. JDE, One Stream, and BI tools). Assist in refining capital and leasing business processes and reporting mechanisms to align with broader business and financial objectives. About You Your seamless communication, both verbal and written, adds finesse to the flow of ideas and

information. You will elevate stakeholder experience through exceptional service and take the initiative to champion innovation in a collaborative, diverse team environment. You will uphold unwavering integrity and contribute to a culture of trust. Additionally you have:

Bachelor of Business majoring in Finance, Accounting or Commerce Minimum of 2 year in Asset Finance / Accounting / FP&A experience Experience working across a diverse range of projects and stakeholders Proficient in MS Office Basic knowledge of ERP Systems (e.g. JDE) Basic knowledge of budgeting / forecasting software (e.g. OneStream) Systems approach: strong focus on systems and process improvement Please note that this role will be a full-time, permanent position and applications for this role will close at midnight on Tuesday 9 April 2024.

What Thiess Can Do for You Help to grow your career, offering diverse and varied opportunities for advancement Flexible working arrangements Recently renovated corporate head office located in South Bank, Brisbane Salary sacrifice options A range of corporate discounts, including health insurance (Medibank), travel & retail products About us Thiess works with clients in Australia, Asia and the Americas in the dynamic field of open-cut and underground mining. The pioneering spirit of our founders – the legendary Thiess brothers – is our legacy, and inspires our vision to harness the power of people and technology to drive sustainable change. At Thiess, you will have the opportunity to play a part in the global energy transition. We are growing our commodities portfolio to include metals and minerals critical to the energy transition, and developing services to enable sustainable mining. We're creating a culture of curiosity, knowledge-sharing, and continuous learning – supporting our people to contribute to Thiess' success and continued growth in sustainable mining. We'll support you to hone your skills and develop new ones, take on challenges and grow, through mentorship, collaboration and empowerment. We offer our people ongoing technical training and development opportunities so they can reach their full potential. We also invest in the workforce of the future, with a range of programs for people starting their careers. We recognise the value of an inclusive and diverse workplace through our vision of everyone matters always. We're focused on creating an inclusive environment to enable our people to bring their best self to work because they feel safe, included and empowered. Should you require assistance applying for this opportunity, please contact us at
