supportive culture with a team that loves to connect and celebrate achievements About DB

Dental/ National Dental Care

Founded in 2013, National Dental Care started with just four practices located in Brisbane. Over

the last seven years, we've grown to over 80 practices throughout Australia, including the

acquisition of Western Australian based DB Dental, and we are now one of the largest

providers of dental services in Australia with a nationwide network of modern dental

practices utilising the latest digital technologies - including scanners, CBCTs and

CEREC. Led by a team of tenured and experienced dentists, the Clinical Advisory

Committee provides clinician advice and support to our network of over 300 dental

professionals. One of our core values to ensuring the highest quality patient care is providing all

dental professionals and staff exclusive in-house access to our training and development

platform, 'NDC Academy' which has outstanding clinical courses and skill development

opportunities, supporting you to achieve your personal career goals. This is a fantastic time

to take your dental career to the next level and partner with our warm, welcoming and well

established practice teams!
