[Apply Now](#)

Company: Healthscope

Location: Australia

Category: healthcare-practitioners-and-technical

ANUM

Ringwood Private Hospital is seeking an enthusiastic and experienced Registered Nurse ready to assume the part time role of Associate Nurse Unit Manager in our Day Infusion Unit.

The successful candidates will have sound clinical skills and an interest in cancer care and enjoy interacting positively with patients and their families.

Position Responsibilities -

The ANUM role is responsible for providing clinical leadership to the unit to compliment the strategic direction, operational processes and quality management of all patients.

You will provide clinical operational direction for the unit to ensure efficient and effective management by coordinating the delivery of nursing care that is evidence based.

With the assistance and direction of the Nurse Unit Manager, you will be accountable and responsible for the effective daily management of people, financial and material resources.

As one of the leading cancer hospitals in Melbourne's outer east, Ringwood Private Hospital provides high quality care for patients from diagnosis, including all aspects of treatments as well as end of life care.

Ringwood Private Hospital treats patients across a range of specialty areas and offers a wide range of medical and surgical services, using contemporary equipment, in a state of the art theatre setting.

With a focus on providing patients with full service healthcare Ringwood Private offers a

coordinated cancer support services for all patients by a dedicated clinical team.

Selection Criteria:

Current Registration with AHPRA

Working with Children check

Specialty oncology nursing experience (2 years Minimum)

Degree in relevant specialty area

Sound clinical knowledge

Compliance with ACQSHC National standards

Exemplary interpersonal and communication skills

Positive role modelling behaviors

Excellent customer service focus, time management and prioritisation

Ability to manage a dynamic and changing environment

High degree of computer literacy including MS office and various data bases

Why Healthscope?

When you join Healthscope, you become part of our Community of Care.

Our people are at the heart of our organisation - no matter the role, every day our people make a difference to the lives of our patients and their families. We work together to create positive, memorable experiences, alongside our quality care, in every moment of every day.

As the only national private hospital operator and healthcare provider in Australia, our 42 sites are supported by our central Support Office, enabling them to provide an exceptional experience for the communities we care for. Healthscope opens the door to endless opportunities for our people, giving them the flexibility to work across one or multiple hospitals across our network.

We encourage the pursuit of continuous professional development and education and support our people to grow and flourish securely.

We pride ourselves on working with talented, passionate and caring people to ensure our patients receive the highest quality care and experience during their stay with us.

While our hospital network is vast, Healthscope is a family. We support each other, we share learnings, celebrate successes and face challenges together.

Come and be the difference in our patient's lives.

Applications close: 8th May 2024
