

Associate Pricing Manager

[Apply Now](#)

Company: Novartis Farmacéutica

Location: Australia

Category: other-general

Novartis is a global pharmaceutical and healthcare company committed to improving the lives of patients and making a lasting impact on global health. With a rich history spanning over 250 years, Novartis has established itself as a leader in the industry, combining cutting-edge medical science with innovative technology to develop and deliver life-changing medicines and healthcare solutions. Driven by a robust pipeline of strong medicines, Novartis is undergoing an evolution that not only promises business growth but also enables the swift delivery of innovative medicines to patients. As part of this journey, Novartis has a newly created role of Associate Pricing Manager joining our Value and Access function. Your responsibilities:

- You will play a crucial role in monitoring and anticipating price changes, providing valuable insights to the business ahead of time. You will also contribute to the development of product pricing strategies, including new product planning, reimbursement submissions, in-market pricing optimisation and loss of exclusivity Planning.
- You will assist in the development of tender and State level pricing analyses to support our commercial teams.
- This role offers a steep learning curve, requiring a high level of learning agility. Attention to detail is paramount, both from a strategic and technical perspective, as you will be working on multiple concurrent areas.
- You will need to make clear, data-driven decisions under pressure, contributing to the success of our pricing initiatives.

Diversity & Inclusion / EEO We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

Role Requirements

Your Experience:

- Skilled communicator with a knack for crafting compelling pricing proposals and business case.
- Experience in effectively

conveying highly technical issues and methods to a non-technical audience. • An understanding of PBS pricing policy and associated legislation is highly desirable for this role. Your knowledge in this area will enable you to navigate the intricacies of pricing regulations and compliance. • Possess a grounding in price modelling with the ability to further develop and expand these skills. • Excellent communication and project management skills are a must. You will be collaborating with cross-functional teams and stakeholders, requiring the ability to effectively communicate and coordinate project activities. • Possess strong written communication skills, can explain technical concepts to a non-technical audience, have a keen eye for detail, and excel in data analytics and financial modeling. Join our dynamic team and be part of shaping our pricing strategies and driving business success. Apply now to embark on an exciting journey as an Associate Pricing Manager! Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives.
