About BHP Operations Services

BHP Operations Services delivers industry leading mining services across BHP operations Australia-wide with specialist capabilities in load and haul, fixed plant maintenance and mobile maintenance. BHP Operations Services has a strong focus on people capability and culture. Our people are our greatest asset and are at the centre of everything that we do. We focus on high performance safety and productivity through our people. With world-class training that is unmatched in the industry and the opportunity to advance your career across locations and commodities, join the team and make your place in BHP.

About the Role

Positions in the Perth Repair Centre based in Welshpool are rare, and the centre speaks with great pride of the culture that has been fostered and built. We provide critical repair and rebuild services to lvarious large-scale machinery sent from our West Australian Iron Ore and Nickel West mine sites.

A close-knit bond is reflected in a positive, proactive and successful workforce, demonstrating diversity in its people, delivering innovation, constant evolution and successful cost-effective outcomes to the business. Our Perth repair centre is on an upward growth period and provides an excellent opportunity for you to build your career.

Candidates who demonstrate transferrable trade-skills in a similar environment or industry (workshop) will transfer well.

We currently have vacancies for highly safety, diagnostic and technically focused Auto Electricians to join the machine rebuilds team at the Perth Repair Centre based in Welshpool, WA. We are offering an appealing 7 on 7 on Thursday-Wednesday 6am-6pm - DAY ONLY ROSTER, where you will have the opportunity to drive to work and be home every night!

The large workshop offers flexibility for their people and their lifestyles in order to grow and maintain this positive work environment. Other rosters may be considered including a 4 on 3 off Days Only roster. Flexibility is embraced at the centre and you will have the opportunity to provide your working availability on application

We currently have a vast number of machines which we are rebuilding such as 785C, 793D, 793F Trucks, D10,D10T, 16M,18 series graders, 854, 992, 994 Loaders. We complete these machines rebuilds to a deadline. The workshop is fast operating. A high level of diagnostic experience is required for this role. The ability to operate CAT SIS is advantageous but not essential.

Positions may also arise in our components department.

You will be responsible for:

- Carrying out all 12/24-volt electrical repairs and undertaking routine PM and upgrade improvements

- Diagnostics fault finding on electrical systems

- Using SIS on a day to day basis

- Ensuring all electrical repairs are performed in accordance with Company guidelines

- Assisting other trades on site while working cohesively within a team to reach a common goal

- Working safely to minimise the risk of injury to yourself and others

About You

- Relevant nationally accredited Automotive Electrical Trade Certificate

- Current Australian Drivers licence

- Nationally recognised Air Conditioning licence and High-Risk Licence - desired

Experience with Caterpillar heavy earthmoving equipment, advantage but not essential

Additional licenses such as High Risk Work Licence and Working at Heights would be highly regarded

Strong diagnostic and trouble shooting ability with respect to heavy earth moving equipment electrical and wiring systems or transferrable skills of relevance

Strong analytical skills with a solution focus

Ability to work as part of a cohesive team

Do you have transferrable skills? Apply to be considered further.

What is on Offer?

BHP's Perth Repair Centre is renowned for its outstanding site culture & excellent working conditions

Culture based management

The abilities to use, challenge and upskill your skills and career with us, BHP

7x7 roster local to Perth!

BHP's BIG THANKS Employee Recognition Program

BHP's Share Plus Program & generous share plus scheme

Annual Bonus Scheme

Ongoing support for you and your family through our Employee Assistant Program

About Our Process

At BHP, we are committed to employing individuals who align with the BHP Charter Values and meet the requirements of the role. As part of the recruitment process, there are a number of checks which may be conducted to demonstrate applicants suitability for a role including police / criminal background checks, medical, drug and alcohol testing, due diligence checks, right to work checks, and/or reference checks.

Supporting a Diverse Workforce

The size and magnitude of our business not only provides significant opportunity for professional development, but also attractive salary packages with performance-based bonuses and a unique BHP employee share program.

At BHP, we recognise that we are strengthened by diversity. We are committed to providing a work environment in which everyone is included, treated fairly and with respect. We are an Equal Opportunity employer and we encourage applications from women and Indigenous people. We know there are many aspects of our employees' lives that are important, and work is only one of these, so we offer benefits to enable your work to fit with your life. These benefits include flexible working options, a generous paid parental leave policy, other extended leave entitlements and parent rooms.
