[Apply Now](#)

Company: Zone IT Solutions

Location: Sydney

Category: business-and-financial-operations

We are currently seeking an experienced Axway Consultant. You will be joining a dynamic team and working on a high-profile project.

### Requirements

In order to be successful in this role, we are looking for candidates with the following skills and experience:

Strong experience in implementing and supporting Axway products including Axway B2Bi and Axway API Gateway

Experience with Axway SecureTransport, Sentinel, and other Axway solutions

Experience with MFT (Managed File Transfer) and API Gateway integrations

Hands-on experience in configuring, troubleshooting, and providing technical support for Axway products

Experience with scripting languages such as Bash, Python, or PowerShell

Strong understanding of file transfer protocols and security protocols

Excellent communication skills and ability to work effectively in a team environment

Relevant Axway certifications are highly desirable

Experience with Agile methodologies is a plus
