Your responsibilities include:

- Daily planning of service events (Mechanical, Boiler making)

- Keeping accurate records of completed work

- Compliance with quality and safety processes

- Assisting with breakdown work as required

- General preventative maintenance

- General fabrication.

### About your experience

You are someone who values teamwork, safety and continuous improvement and has a strong desire to succeed.

You will also have:

Trade qualified Welder / Boilermaker

Experience in maintenance and shutdowns is essential

Welding experience

Knowledge of hydraulics desirable

Mechanically minded

Strong problem solver in repair methods

Forklift HRW licence, Elevated work platform HRW license, confined space ticket highly regarded.

### **About our team**

**Liberty Bell Bay** is Australia's sole ferroalloy producer, operating four electric arc furnaces and sinter Plant to manufacture high-carbon ferromanganese, silicomanganese, and sinter. A proud member of the **GFG Alliance**, we nurture an agile, entrepreneurial culture marked by boundless energy, ambition, and a commitment to sustainable growth initiatives. Our mission is to empower our people and businesses to prosper and progress, and we welcome you to be part of shaping the future with us.

Join us at **Liberty Bell Bay** situated just 50km north of Launceston, Tasmania, and experience a unique lifestyle opportunity. Benefit from short commutes, easy access to recreational activities, affordable housing options, exceptional schools, a vibrant cultural and sporting scene, and inclusive communities.

### **Next steps**

Across our different business units, we offer career opportunities for people who share our drive, passion, and ambition. From apprentices and graduates to experienced professionals, we are committed to offering fulfilling careers and the chance to grow as our business grows. We would love you to be part of our journey.

**We are a 2024 Circle Back Initiative Employer – we commit to responding to every applicant.**
