### Job description

**Company Overview:** Join our team dedicated to enhancing the quality of life for seniors in aged care facilities through expert craftsmanship. We specialize in providing tailored solutions to meet the unique needs of aged care environments, ensuring safety, accessibility, and functionality for residents and staff alike. As we expand our services, we are seeking a skilled and compassionate Carpenter to join us in our mission.

**Position Overview:** We are looking for a talented Carpenter to undertake minor commercial projects within aged care facilities. The ideal candidate will have experience working in commercial settings, possess a strong understanding of safety protocols, and demonstrate a commitment to delivering high-quality results. This role offers an opportunity to make a meaningful impact by contributing to the comfort and well-being of elderly residents.

### Responsibilities:

Execute carpentry tasks including installation, repair, and maintenance of fixtures, furniture, and structural components in aged care facilities.

Collaborate with facility managers and project leads to plan and schedule projects according to resident needs and facility requirements.

Ensure compliance with relevant building codes, safety standards, and regulations.

Safeguard the well-being of residents and staff by maintaining a clean, organized work environment and adhering to safety protocols.

Communicate effectively with team members, supervisors, and clients to provide updates on project progress and address any concerns or inquiries.

### **Qualifications and requirements:**

Proven experience as a Carpenter, preferably in commercial or institutional settings.

Proficiency in carpentry techniques, tools, and materials used in construction and renovation projects.

Strong knowledge of safety procedures and regulations related to carpentry work.

2 Covid vaccinations and annual flu shot

Compassionate attitude and respect for the needs and preferences of elderly individuals.

Valid driver's license and reliable transportation.
