Full job description

We are searching for an experienced full-time Chief Financial Officer (CFO) who can guide the financial systems and processes that empower our client's business and keep our finances positioned for continued success. The CFO will have a day-to-day, ongoing impact on company operations, helping to analyze, strategize, and grow the financial position. This seasoned strategist must understand current accounting practices and trends, but will also have experience in cash flow management, budgeting, cost-saving measures and adapting to change. As a member of senior management, the CFO will be comfortable in a leadership role that requires clear and effective communication skills. Due to the highly regulated nature of the sector and the complex structure of the entities and investments, a strong understanding of legal, financial and ethical best practice is essential. Objectives of this role: Take responsibility for cash management, cost minimisation, budgeting, financial reporting, tax compliance and investments. Help drive financial strategy and hiring needs. Coordinate development of annual budgets, as well as variance analysis, reporting, forecasting and regular

revisions of same, as required. Ensure cash flow is compatible with operations by overseeing day-to-day accounting, recording, reporting, and internal-control activities of the organisation. Develop and implement practices to a strong control environment. Comply with national and local financial and taxation requirements by studying existing and new regulations and taking appropriate action in a timely manner. Responsibilities Work with the owners, directors and senior management to efficiently develop budget proposals, regular variance analysis and financial reporting. Research revenue opportunities and economic trends, analyse internal operations, identify areas for cost reduction and process enhancement. Perform risk management through analysis of company liabilities and investments, and evaluate and manage capital structure and fundraising initiatives. Oversee HR operations. Regularly monitor business performance, establish corrective measures as needed, and prepare detailed reports for management. Manage personnel and oversee financial IT systems, ensuring compliance with relevant regulatory requirements. Required skills and qualifications Professional Accounting Qualification (Chartered or Certified Public Accountant). International finance experience. Five or more years' post qualification experience in Industry. Five or more years' experience in people management. Exceptional verbal, written, and visual communication skills. Understanding of advanced accounting, regulatory issues, as well as tax planning and compliance. Job Types: Full-time, Permanent Salary: \$90,000.00 – \$120,000.00 per year Ability to commute/relocate: East Perth, WA: Reliably commute or planning to relocate before starting work (Preferred)
