Civil Engineer - Civil Infrastructure

Job details

Posted 11 April 2024 Salary Up to \$130k Package + Profit Share Location Perth Job type

Sectors CGC Cover Reference 3762466

Job description

CGC is working with a employee owned, Tier 1 consultancy, who are dedicated in sustainable development's across the globe. Its within their Civil infrastructure team in Perth, that they are looking for an Intermediate or Senior Civil Engineer

Work on diverse projects for MWRA and City of Perth

WFH Flexibility - performance based incentives

Salary: Up to \$130K Package - Depending on experience.

The Role - Civil Engineer

We are seeking an experienced Intermediate Civil Engineer to provide support for the Civil Infrastructure team. You will undertake design activities, assist in the preparation of technical documentation, reports, cost estimates, tender submissions, project programmes and project meetings. You will be essential to delivering projects to deadlines and meeting budgets.

The civil infrastructure team, works on a diverse range of exciting projects; from strategic planning and industry transition to low emissions, to delivery of innovative and sustainable

infrastructure projects for future generations from infrastructure planning, mixed-use urban densification projects and greenfield industrial estates.

The Requirements

A minimum of 4 years consultancy experience on urban development and Civil Earthworks projects in Australia. (Local experience is advantageous)

Industry experience in Civil Engineering with an emphasis on designing roads, pavements, drainage, water, sewer and WSUD elements within a consulting business environment.

Proficiency in 12D, Microstation or AutoCAD desirable. Experience using hydraulic modelling packages such as DRAINS would be advantageous;

MUST have Australian working rights

We are keen to speak with a Civil Engineer who has a proven track record working for an engineering consultancy in preferably in Western Australia. Most important is your attention to detail, supportive approach, work ethic and ability to work in a close-knit environment.

This opportunity offers a highly competitive salary + Profit Share, performance based incentives and a defined career pathway.

How to apply:

If this is you, please apply via you preferred job board or send your resume directly to shelley.stone@cgcrecruitment.com

If this role is not exactly what you're looking for but you're keen to find out more about the market, do get in touch.
