Women's and Children's Health Network, Child Protection Services, North

Adelaide (5006) Salary Classification - AHP3 - Allied Health Professional L3 - \$102,641 to \$110,094 Employment Full time - Term Contract (temporary up to October 2024)

OverviewThe Women's and Children's Health Network provides state of the art health care for women and children in Adelaide and South Australia. We are the state's leading provider of specialist care for children with acute and chronic conditions and SA's largest maternity and obstetric service. We also provide important community-based services, of which the Child and Adolescent Mental Health Service (CAMHS) is an integral part. Join our team and contribute to providing South Australia's women, babies, children and young people with the best health care through both within our hospital or via our many and varied community services and programs.

About CAMHSThe Child and Adolescent Mental Health Service (CAMHS) is a free community-based tertiary mental health service provided through the WCHN across South Australia, providing care to those with severe and/or complex mental health needs. CAMHS provides services to: infants / children / young people up to 18 (16 in some areas) for community, statewide and hospital-based services / perinatal women.

Child Protection Services (CPS) is a specialist multi-disciplinary health service in the Women's and Children's Hospital that provides a range of comprehensive forensic and clinical psychosocial services to support children where there is a suspicion of child abuse and/or neglect; and treatment services to children and their families, where abuse and/or neglect has been confirmed. The Opportunity An exciting opportunity exists within CAMHS - Child Protection Service to join us as Clinical Coordinator (Psychologist/Social Worker). Role

Responsibilities: Ensure effective leadership, advice and support is provided to all CPS staff. Provide clinicians with support and guidance for ongoing skill development in the areas of assessment and therapy. Undertake delivery of complex forensic psychosocial assessments to determine the occurrence and effects of abuse/neglect. To find out the specifics, including the key selection criteria and special conditions, please go to the attached role description.

About You To be successful in this role, you will have: Excellent communication and interpersonal skills, particularly in relation to negotiation, liaison and conflict resolution. Demonstrated ability to manage and motivate staff, and coordinate the work of others effectively. Experience in providing direct clinical services to children, adolescents and their families experiencing trauma or a wide range of emotional and behavioural disturbance. Demonstrated clinical experience in the field of child protection and child and adolescent mental health. Sound theoretical knowledge in the field of child protection and child and adolescent mental health.

Benefits of Joining us Not only will you be able to use your skills and abilities in a both a challenging and rewarding role contributing to some of South Australia's most vulnerable women, babies, children and young people, you will also receive an attractive annual salary package with employer superannuation contributions and leave loading as well as the opportunity to maximise your salary through arrangements.

Application Instructions You will be required to attach a 1-2 page cover letter addressing the key selection criteria of the role and a current résumé/curriculum vitae prior to clicking 'Submit Application'. It is recommended to allow enough time to complete the whole application as the system times out after one hour of inactivity.

Other Important Information The South Australian public sector promotes diversity and flexible ways of working part-time. Applicants are encouraged to discuss the flexible working arrangements for this role. Appointment will be subject to a satisfactory Criminal History Check and appropriate immunisation requirements. Check(s) DHS Working With Children Check (WWCC) National Police Certificate (NPC) for employment involving unsupervised contact with vulnerable groups required for this position (E.g. aged care employment or work involving vulnerable clients) Immunisation Risk for this position is - Category BSA Health Services are required to implement the in the workplace. Aboriginal and Torres Strait Islander applicants are encouraged to apply.
