About You The successful applicant will have:  
Demonstrated workplace leadership experience relevant to community or hospital-based

mental health practice. Advanced knowledge and understanding of mental disorders. Demonstrated experience in assessment of acute and complex presentations and providing evidence-based interventions for people with mental disorders. Why work for us: In addition to the opportunity to make a direct and positive contribution to the community, you will work in a collaborative and caring work environment and you will enjoy an amazing range of benefits. 11% employer contributed superannuation into a fund of your choice. For further information click here . Access to generous salary packaging arrangements Professional Development Opportunities and Study Leave/assistance Flexible working arrangements Flexible leave arrangements District Allowance – regional specific Subsidised housing (subject to availability) Relocation allowance(if applicable) Application Instructions Applicants are advised to write a statement addressing the selection criteria no longer than 2-3 pages and provide a detailed curriculum vitae which summarises your experience and how you are able to meet the position requirements. These documents should be complete and ready to attach prior to applying online. Please ensure you allow sufficient time to complete the online application process as you will be required to answer various questions and attach your documentation. If you experience difficulties while applying online, please contact Employee Services on for immediate assistance during business hours. Diversity Statement WA Health is committed to eliminating all forms of discrimination in the provision of our service. We embrace diversity and strongly encourage applications from Aboriginal and Torres Strait Islander peoples, people from culturally diverse backgrounds and people with disabilities. WA Health supports flexible working practices within the context of a quality health service. WA Health is committed to a smoke free environment across all buildings, grounds and vehicles. Whilst this selection process will initially be used to fill the above vacancy, it may also be used to fill other similar vacancies throughout the health service. In addition to this, should the successful applicant decline or vacate the advertised vacancy, then the next most suitable applicant may also be selected from this process. Both of these options remain valid for a period of twelve (12) months from when the authorised delegate endorses the recruitment decision. Other Conditions: WA Health engages staff in positions of trust and responsibility. WA Health policies require applicants to undertake criminal records screening and integrity checking as part of the appointment process. Referees may also be asked to comment on an applicant's integrity and past demonstration of ethical behaviour. Please note this recruitment process requires completion of satisfactory Pre-Employment Health Assessment (PEHA). Any offer of employment with WA Country Health Service

(WACHS) is conditional on satisfactory PEHA to ensure you are able to perform the inherent requirements of the position. An unsatisfactory PEHA will result in the offer of employment being withdrawn. Please see the attached WACHS PEHA Policy for further information. WA Health is committed to growing the Aboriginal workforce as a part of WA Health's Aboriginal Workforce Policy. As a measure to achieve equality, Section 51 of the Equal Opportunity Act 1984 applies to this position. Aboriginal people are encouraged to apply . Australian citizenship or permanent residency is an essential requirement for applicants to be considered for permanent positions in the public sector. Lodgement is system generated. Any submissions on, or after, 4:00pm will not be accepted. LATE OR EMAIL APPLICATIONS WILL NOT BE CONSIDERED
