Seeking Cloud Implementation Specialists x 2 for our Federal Government Client to work on site in Canberra.

We are looking for a highly motivated individual with strong technical, analytical and stakeholder management skills to join our project team as a Cloud Implementation Specialist.

Our client is creating a single Microsoft Azure tenancy, rated at the Protected level, staff are currently spread across two environments - official and protected.

At the direction of the Project Manager, the Cloud Implementation Specialist will:

Provide solution design Actively participate in the implementation and on boarding project activities. Work as part of a high functioning multi-skilled team. Deliver to tight deadlines.

Engage with a variety of stakeholders. Work with little direction to a defined goal. Other duties as directed by Representative. The role has an initial contract to 30 June 2024 with a possible 12-month contract extension. It is the Client's preference for the work to be done on site at their office in Canberra.

Due to security clearance requirements for this role, candidates must have a baseline security clearance or above for this role. Diversity and inclusion are strongly supported at Peoplebank. People of all nationalities, gender identities, and cultural backgrounds, including Aboriginal and Torres Strait Islander Peoples, are encouraged to apply.
