Category: production

CNC Lathe Operator/Programmer

Permanent full-time position

Finish early on Fridays

Flexible start and finish working times

Great working conditions in a secure company

Truganina location

The Company:

Our client is a leading specialist in manufacturing and supply of complex engineered components, sub-assemblies, jigs & fixtures and munitions tooling for Defence, Aerospace and medical industries. They require an experienced CNC Lathe Operator/ Programmer to join their team. This position offers the opportunity for career growth, with the potential to transition into a supervisory role for the right person.

Job Requirements:

Proven experience as a CNC lathe operator with programming experience.

Experience using CNC Mazak machinery

Reading and interpreting engineering drawings

Excellent attention to detail

Work unsupervised

Hours & Rates

Flexibility in start and finish time, typically 7am - 4pm with early finish Friday

The opportunity to move into a supervisor role.

A very attractive pay rate of \$46 to \$56 + Super and Overtime for the right candidate, negotiable depending on experience.

You must be either an Australian Citizen or a holder of an Australian Permanent Residency Visa to be eligible to apply for this position.
