

## Consultant Psychiatrist

[Apply Now](#)

Company: Clearcompany

Location: Australia

Category: other-general

What's on offer... Package of \$350,000 - \$500,000 p.a. + generous relocation allowance  
Progressive adult mental health service  
Supportive multidisciplinary team environment  
Thriving regional location close to the Whitsunday Islands and Great Barrier Reef  
One-hour flight from Brisbane  
Tropical climate ideal for outdoor living and a laid-back lifestyle  
High quality schools and a wide range of sporting clubs with excellent facilities  
Permanent residency support  
About the role... This role will see you joining a progressive mental health service in a vibrant regional facility in tropical North Queensland. The hospital you will be working in is fully digitalised and equipped with leading edge technology to assist with providing the highest standard of treatment and care possible. Mental health services are delivered via a mental health inpatient unit and a number of teams working across a range of services including acute care, continuing care, older persons, child and youth, mobile intensive rehabilitation, assertive mobile outreach, and short-term residential treatment services within the the successful applicant, your primary responsibilities will focus on providing an advanced standard of clinical care including assessment and treatment services to adult patients who present with mental disorders, alcohol and other drug and emotional and/or behavioural issues, including those being treated under the Mental Health Act. The role will see you participating in supervision and teaching of junior medical staff and medical students, clinical governance activities, and taking part in the after hours on-call roster.  
Relocating to Australia? What support we can offer you... Forget Government Job Boards - We know our hospitals. We provide you with exclusive Psychiatrist job vacancies and direct link-ups with Mental Health Dept.
