Company: West Recruitment Pty Ltd

Location: Liverpool City Council

Category: other-general

Reference ID:1088209 Call: 9689 8910 West Sector: Technology
Job Summary- A market leading organisation with strong presence in the public community- Huge growth and new expansion working with modern technology- Hybrid work module and close to public amenities

Job Description
Your new company: West Technology is proud to be representing a prestigious and renowned designer and supplier of furniture leading the public realm not just in Australia but have huge projects they have recently delivered world-wide. They are on a mission to transform, build and maintain these public services in the hopes of uplifting communities by creating spaces and furniture that make you smile.
Your technical experience:
•Experience in CPQ within ERP systems like Salesforce, NetSuite, and associated business systems including providing functional and technical support, expert advice, resolution of issues, and designing and implementing improvements.
•2-3 years of experience writing CPQ rules.
•Has previous experience with SQL databases and implements the rules in NetSuite.
•Assist with NetSuite Customizations when required using JavaScript.

(Intermediate knowledge of JavaScript) and API experience with JSON.
Your winning attributes:
•Ability to collaborate with stakeholders to resolve issues and ensure effective and timely implementation of projects.
•Highly organized – ability to multi-task and deal with a variety of activities.
•Excellent attention to detail, time management, and prioritization skills.
•Ability to work autonomously and as part of a team, meeting deadlines and managing priorities.
•Identify systematic ERP concerns and assist in attaining solutions to these concerns.
•Work with external software providers for system improvements. All Rights Reserved
