Company: Bamboo App

Location: Perth

Category: other-general

Management (Information & Communication Technology) Do you have a passion for crypto and/or building disruptive products? Are you looking to make the leap into a CTO role? If so, we want you! Company Overview: We are a fast-growing fintech scale-up, committed to innovation and quality. At Bamboo, we value diversity and strive to foster an inclusive environment where everyone can thrive. What You'll Do: As the CTO, you will be an integral part of Bamboo's executive team, tasked with developing and executing the company's IT strategy. Your responsibilities will include: Leading and mentoring a dynamic technical team of approximately 11 members, promoting high performance and a culture of innovation. Delivering on the technical roadmap, driving key projects and initiatives on time and within budget. Making critical technical decisions regarding architecture, platforms, and security. Overseeing the security of the platform and data, ensuring compliance with the highest security standards and adherence to regulatory requirements. Collaborating with the CEO to define and refine the company's vision, growth strategy, and hiring needs. Championing innovation within the company, ensuring that Bamboo's technology profile evolves and scales in line with our phase of rapid growth. Programming Languages & Frameworks: NodeJS, TypeScript, React Native Databases & Data Warehousing: DynamoDB, Snowflake Who You Are: A passionate leader with a proven track record in building and scaling innovative products, particularly in fintech, payments, or blockchain sectors. Holder of at least a Bachelor's degree or equivalent experience. A strong communicator, capable of inspiring and motivating a team. A strategic thinker with a proactive and results-oriented mindset. Why Join Us? Be part of an incredible team with a fantastic

culture. Work on groundbreaking technologies and tackle challenging problems. Make a tangible impact and help shape the direction of our company. Enjoy a competitive salary (\$200,000 - \$240,000 + Super + ESOP) and comprehensive benefits package. Full-time, remote working arrangement, with a preference for candidates based in Perth and Sydney. Join Us: Ready to build the future and tackle interesting problems? Apply today to become the CTO at Bamboo and drive innovation in fintech. We are an equal opportunity employer that values diversity at all levels. All individuals, regardless of personal characteristics, are encouraged to apply. Your application will include the following questions: Which of the following statements best describes your right to work in Australia? How many years' experience do you have as a chief technology officer? Report this job advert Don't provide your bank or credit card details when applying for jobs. What can I earn as a Chief Technology Officer#J-18808-Ljbfrr
