Category: other-general

Job DescriptionCyber GRC ManagerYour current company isn't giving you the right support. It's becoming a tick-box exercise.You could be reporting to a technology leader and that has its challengesOr maybe you're waiting for the right role to come up where you can step up and run the program. You've learnt a lot where you are, it's a great team but you've hit your ceiling.This Australian software house of around 100 people has recently had its Cyber Security Manager move on after 3 years.The role reports to the CFO and is a stand-alone role. Their Cyber maturity is pretty good for a company of their size.You'll be responsible for external audits of the ISMS (ISO & SOC 2), owning and leading Incidents, making sure the right controls are in place, maintaining assurance programs, working with external pen-testers, security awareness, helping automate where possible, and board/qtrly reporting.If this sounds like you or you have any questions please get in touch.Russell@theonset.com.au / 0438984265 Seniority levelSeniority level Mid-Senior level Employment typeEmployment type Full-time Job functionJob function Information Technology Industries Staffing and Recruiting Referrals increase your chances of interviewing at The Onset by 2xGet notified about new Cyber Security Manager jobs in Australia.Cyber Security Consultant, Mandiant Consulting Sydney, New South Wales, Australia3 weeks ago Sydney, New South Wales, Australia 3 weeks ago Brisbane, Queensland, Australia2 weeks ago Darwin, Northern Territory, Australia2 weeks ago Governance, Risk and Compliance (GRC) Specialist Perth, Western Australia, Australia2 weeks ago Governance, Risk and Compliance (GRC) Specialist Adelaide, South Australia, Australia 2 weeks ago Governance, Risk and Compliance (GRC) SpecialistCanberra, Australian Capital Territory, Australia 2 weeks ago Technical Manager -
