Data Analyst (Sportsbook) Melbourne, Australia

[Apply Now](#)

Company: Easygo

Location: Melbourne

Category: other-general

Are you a sports fan? Do you enjoy keeping up to date with the latest sports movements globally? Then maybe this role could be for you! We are currently seeking a skilled Data Analyst to play a pivotal role in risk management for our Stake Sportsbook team! You will work closely with our Business Intelligence and Sportsbook teams to collect, process, and analyse data from various sources, including game footage, player statistics, and performance metrics. It is crucial to this role that you are interested and also understand sports and wagering. Your role with us: Your role with us will be focusing on managing risk that occurs on the Sportsbook side of our Stake platform through identification, analysis and reporting. You will gather data to create dashboards, reports and alerts for the Sportsbook team to visualise and gather insights from. The information you will be working with is real time data which is time sensitive. You will be joining our Business Intelligence team which currently consists of 11 individuals; 8 analysts, 2 analytical engineers, 1 data scientist and a Head of Business Intelligence. You will be working alongside them all and work closely with the Sportsbook team. You will report to Head of Business Intelligence. Who are we? At Easygo we proudly stand as a prominent service provider to a powerhouse of brands within the iGaming industry, including Stake.com, Kick.com and Twist Gaming. Stake is the world's largest crypto casino, and leads the industry with a seamless online casino and sportsbook experience. Level up your online entertainment with Kick.com, the vibrant live streaming platform, which connects millions of gamers and content creators worldwide. All alongside the innovative game design studio, Twist Gaming, which takes creativity to new heights by crafting cutting-edge and captivating games. Our commitment to placing our clients and their communities'

entertainment at the forefront of everything we do, has solidified us as the ultimate online service provider for entertainment companies. Headquartered in the beautiful city of Melbourne, our growth has been remarkable. From humble beginnings to a thriving workforce of 300+, we've expanded not only in numbers but in ambition. There really is something for everyone here, whether you work in Tech, Marketing, Operations, Mathematics or Design, we are sure to have something for everyone. Click play, on your career today! What you will do: Gathering, extracting and manipulating raw data from multiple databases to transform it into reporting solutions and insights, enabling informed decision making to drive improved performance across our Sportsbook internal team Providing regular reports to internal stakeholders Designing, developing, reviewing and updating custom reports. Responding to requests for information by summarising and analysing internal and external data sources Work collaboratively with Sportsbook team to support complex risk investigations and to respond to rapidly evolving threats and implement rule-based analytical solutions What you will bring: Bachelor's degree in Data Science, Statistics, Computer Science, or a related field. Master's degree preferred. 2-3 years working as a Data Analyst, preferably within the online gaming or gambling industry. Strong proficiency in data analysis tools such as Python, and SQL, and data visualization tools like Tableau or Power BI. Experience in creating interactive dashboards and reports using data visualization tools. Excellent problem-solving skills and the ability to think critically and analytically. Strong communication skills with the ability to convey complex technical concepts to non-technical stakeholders. Deep understanding of sports dynamics and understand the strategy behind punting. Some of the perks of working for us: EAP access for you and your family Access to over 9,000 courses across our Learning and Development Platform Flexible working hours Paid volunteer day Two full-time barista's who will make your daily coffee, tea or fresh juice! Daily catered breakfast Massage Wednesdays - we get professionals to do this! Team lunches and happy hour in the office from 4pm on Fridays Fun office environment with pool tables, table tennis and all your favorite gaming consoles Help yourself drinks fridges and snack shelves We are a 2024 Circle Back Initiative Employer – we commit to respond to every applicant We believe that the unique contributions of everyone at Easygo are the driver of our success. To make sure that our products and culture continue to incorporate everyone's perspectives and experience we never discriminate on the basis of race, religion, national origin, gender identity or expression, sexual orientation, age, or marital, veteran, or disability status. We are passionate about providing a workplace that encourages great

participation and an equal playing field, where merit and accomplishment are the only criteria for success. #J-18808-Ljbffr
