Company: Infinite Consulting

Location: Australia

Category: computer-and-mathematical

Job Description

Tableau CRM (TCRM) Developers

Start a new role in 2024! 12 months contract!

Location – ACT, NSW, QLD, SA, VIC; 2 days in office, working remote will be considered.

Australian Citizens with Baseline clearance.

Infinite Consulting is seeking two experienced **Tableau CRM (TCRM) Developers** for our esteemed Federal Government Client. This is a Jan. 2024 start for an initial 12 months contract! 12 months extension option is available further based on funding and approval.

About the Role:

In this role you will work with the team to capture functional and technical requirements to design overall Tableau CRM (TCRM) solution. Major responsibilities will be:

Define, design, and build TCRM data flows, datasets, and recipes, lenses, and dashboard visualizations;

Provide meaningful insights and interpretation of data, with actionable recommendations;

Assist with TCRM data-mapping;

Drive commonality and reuse;

Document technical data, ETL, and Integration Architecture Design for input to development team;

Display initiative, self-motivation and deliver high quality results.

Submission Requirements:

Initial term: 12 months

Extension: 12 months extension option

Clearance: Australian Citizens with Baseline clearance

Submission deadline: 30/11/2023

If you are interested in finding out more about the role, apply today or contact Varsha on 02-6257 8888 for a full assignment brief.
