

## Diesel Fitter

[Apply Now](#)

Company: Core Talent Pty Ltd

Location: Townsville

Category: other-general

Company Your new company is a well-established civil construction company with multiple decades of experience. They have multiple branches in their business and are currently in need of experienced diesel fitters to look after their fleet of mobile plant equipment and heavy vehicles. Role In your role as the diesel fitter, you will be responsible for all reactive and scheduled maintenance requirements both within the workshop and the field as required. You will be working with large civil/quarrying plant machinery and heavy road vehicles this will involve servicing and repairing the motor, hydraulics, and electrical over hydraulic components. Requirements The successful candidate will have: Relevant trade qualifications - diesel fitter/heavy diesel mechanic Minimum 3 + years post trade experience Strong hydraulic and electric over hydraulic knowledge Strong diesel motor knowledge Currently located in Townsville or looking to relocate there permanently Rewards In return you will enjoy your company provided vehicle, a varied work week on day shifts consisting of both workshop and field-based work plus plenty of OT available. PPE will also be provided as well as any specialist tools. What to do now If you feel you have the right skills and experience apply directly through the advert or reach out to Isaac Hill on 0430 484 498 with any further questions.
