Company: Queensland Government

Location: Brisbane

Category: other-general

Digital Metro North (DMN) works collaboratively with clinical leads and end users across Metro North Health to deliver the Digital Metro North Strategy 2018-32. The strategy aims to ultimately deliver an integrated digital hospital and healthcare environment across Metro North by 2032. Over the coming years, significant capital works are being undertaken, including hospital construction and refurbishment and the implementation of the ieMR Advanced solution across all Metro North facilities. Achieving the aims of the strategy requires a dedicated team with the knowledge, determination, and skills to deliver quality results. Key knowledge and experience The ideal applicant will be able to demonstrate the following: Provide leadership within a legal, professional and ethical framework that ensures contemporary consumer/person-centred care and staff management practices. Collaborate in the professional development of self and others utilising contemporary practice in the delivery of improved standards of care that enables consumers/persons and their families. Participate in and manage the performance and development planning of self and staff reporting to the position. Undertake, and participate in ethical decision making in the achievement of organisational goals. About the role This role is full time with the standard hours of operation being 8:00am – 4:30pm, Monday to Friday. Flexible working arrangements such as Accrued Day Off and working from home may be supported. There are opportunities for coaching, development and career progression within the broader ieMR Project team. Travel across Metro North facilities may be required. Benefits when working for us Rewarding career and development opportunities across a wide range of clinical and non-clinical areas. Value driven organisation which provides a work

environment that is safe, satisfying, flexible, and promotes a healthy work-life balance. Flexible working arrangements and competitive salary rates with annual incremental increases. Benefit from a higher than standard employer contribution to Superannuation of up to 12.75% and access to salary packaging.
