[Apply Now](#)

Company: BRC Recruitment

Location: Australia

Category: other-general

### About Us

BRC Recruitment part of Workpac Health and Social Care is a leading social care recruitment agency specialising in Youth, disability, and mental health support workers. BRC has been recruiting and supporting the Youth sector for over 20 years. We have opportunities with multiple clients across the greater Sydney area for some of the best known Australian non-for-profit organisations.

### About you

We are currently recruiting casual Disability support workers with a shared perception of improving and supporting the day to day lives of the young people in our care.

Flexible, tolerant, patient, organised, reliable and punctual.

Able to act with integrity in times of stress.

Commitment to people with disabilities and understand the factors affecting their lives.

Able to follow policies and procedures.

Ability to work minimum of 24 hours a week.

Willingness to travel to different locations in the greater Sydney area.

The desire to collaborate with our clients for the best outcomes.

### What we offer

Flexible working hours - rejoice in the freedom to choose the hours you work.

We pay to the SCHADs award weekly.

The choice - the flexibility to choose which clients and locations you want to work with.

App Technology- claim shifts where you want when you want from your phone.
