

DMG Mori CNC Programmer Operator

[Apply Now](#)

Company: Macro Recruitment

Location: Australia

Category: other-general

Full time permanent CNC Programmer Operator role for a world class manufacturer in the Northern suburbs of Melbourne. For a CNC Programmer Operator interested in working for an industry leader in steel and aluminium fabrication, with a strong commitment to excellence and using the latest manufacturing practices.

Requires CNC Programmer Operator experience

Unrestricted Australian work rights

Salary Range: \$40-\$42 per hour plus overtime

Based in Northern suburbs of Melbourne

A normal day includes:

Operating sophisticated equipment such as the DMG Mori Horizontal Mill and DMG Mori Lathes.

Programming new jobs into CNC machines

Using FANUC Control as there is no CAD station

Analysing work order blueprints for determining the specifications

Quality inspection for drawings

Performing system maintenance

Developing a suitable maintenance schedule

The job can also include a daily clean up, unloading trucks, wrapping pallets and stacking parts.

Your next employer boasts a world-class reputation and a cutting-edge facility equipped to produce an extensive array of parts, spanning from intricate components to high-volume productions.

You will need...

Proven experience setting up, operating and programming DMG Mori Horizontal Mill and DMG Mori Lathe machines

Proficiency in FANUC Control systems

Strong communication skills to collaborate effectively within a dynamic team environment.

The ability to interpret and translate plans and designs into precise actions, ensuring flawless execution.

To be conveniently located within a 30-minute radius of Campbellfield.

Have questions or not sure if this role is the perfect fit for you?

Apply with your CV, and we'll get in touch to discuss this opportunity and explore other suitable roles we may have.
