Company: Randstad Australia

Location: South Australia

Category: other-general

The Company Clarke Energy, a KOHLER Company, is a multi-award-winning global specialist in the engineering, installation, operation, and maintenance of engine-based power plants. Renowned for their expertise in the efficient provision of power generation using reciprocating engines, committed to delivering high-quality, sustainable energy solutions along with complete turn-key (EPC) and full aftermarket life of service and maintenance. With a culture of integrity and high ethical standards, they are the largest authorized distributor and service partner for INNIO Jenbacher engine business. Operating in 28 countries globally with their Australian office based in Adelaide, South Australia. One of the fastest-growing power generation companies in the South Pacific. Due to a strong pipeline of projects, Clarke Energy is seeking Electrical Engineers to join their dynamic engineering team.
