

Electrical Infrastructure Manager

[Apply Now](#)

Company: Perth Airport

Location: Western Australia

Category: other-general

Perth Airport is Australia's Western Hub connecting the people, businesses and communities of Western Australia with the rest of Australia and the world. Operating 24 hours a day, seven days a week throughout the year, Perth Airport plays a significant role in providing economic, social and cultural benefits to West Australians. We strive to provide a lasting first impression and a seamless, quality travel experience for our domestic, interstate and international visitors. The Perth Airport estate is spread over 2100 hectares and has developed a \$1.3 billion portfolio of existing industrial premises and significant vacant land holdings. We service a truly diverse community and play an important role in strengthening cultural, family and social bonds while supporting business, tourism and leisure travel. Our team are currently looking for an experienced and driven Electrical Infrastructure Manager.

What you'll do: As Electrical Infrastructure Manager you will lead Perth Airport's Power Distribution, Terminal and Airfield Lighting Teams to ensure 24/7 serviceability and ensure standards for electrical works within airport are developed, communicated and complied with by staff and contractors. **About you:** You have significant experience in managing large teams and are able to get the best out of them through strong leadership. You always ensure that safety is paramount and are driven to achieve results. Being practical and pragmatic you are able to develop and maintain strong and productive relationships both with your team and other stakeholders. Your significant experience in electrical infrastructure management includes planning, maintenance, performance and process improvement.

About Us: We offer a dynamic and supportive team culture, a contemporary workplace with great facilities and a modern approach to work/life integration. Our competitive remuneration

package comes with additional company benefits including free parking. Perth Airport is an Equal Opportunities Employer. We are committed to building an equitable and diverse workforce representative of the community we serve. We encourage and welcome applications from all communities and backgrounds. Doing the right thing by the planet and future generations is important to us. At PAPL we place a strong emphasis on embedding sustainability throughout our business strategy and operations. We remain steadfast in our commitment to driving ESG (Environmental, Social, People, Governance) performance across our value chain and areas that have material environmental and social impact. If this sounds like you please get in touch.
