Your career in healthcare made personal

At Medibank we've recently unified our health services under one brand **Ampliar Health**.

With over 1000 employees, our nurses, GPs and other amazing allied health professionals our focus is on improving healthcare experiences and championing greater access, choice, and control for people in Australia when it comes to managing their health.

Your Opportunity:

Due to continued growth, we are now recruiting Endorsed Enrolled Nurses to work within the community space. You will be using your clinical knowledge and experience to assess patient and carer needs for education and/or support and be an advocate for the patient and their family. This rewarding role will ensure care needs of patients will enhance and promote their quality of life.

As an Endorsed Enrolled Nurse registered with AHPRA, you will have the ability to plan your own rounds and work autonomously within the community. We offer flexible working rosters across a 7-day week, with no night shifts. We have immediate work available in all areas of Adelaide with a focus on the southern suburbs.

What will set you apart from the rest?

- Certification to dispense medication

- Recent acute nursing experience
- Experience in wound care management
- Certificates to provide First Aid and CPR

What sets us apart from the rest?

We are transforming the delivery of health care. A passion for providing quality, patient-focused health care is essential. In order to effectively provide this, employee wellbeing is our top priority, so you will receive:

- Rotating work roster- AM & PM shifts available
- Annual leave & personal leave entitlements (for permanent employees)
- Career development opportunities
- Subsidised Medibank health insurance
- 24/7 support lines for mental & physical wellbeing of you and your family.
