Casual staff – Student Services

Discover opportunities for casual employment in the Student Services team at UniSC!

Interested in exploring suitable roles aligned with your expertise? Express your interest to join our community when suitable opportunities arise.

As advocates for student wellbeing and success, our Student Services team offers a wide range of programs and services to support students throughout their academic journey.

From academic advising and career counselling to mental health support and disability services, we are dedicated to fostering a supportive and inclusive campus environment.

If you have experience in areas such as student support, counselling, academic advising, career development, or student engagement, we invite you to register your expression of interest.

Whether you're a seasoned student services professional, counsellor, or academic advisor, there may be a role for you within our team.

Join us in our mission to empower students to achieve their full potential and thrive during their time at UniSC. If you're passionate about supporting student success and making a difference, we encourage you to register your expression of interest.

Working towards a better tomorrow

We're all about doing work that matters, connecting with great people, and being part of an incredible journey. We're not the biggest university. But we're growing every day, and doing big things. Like ground-breaking research, championing sustainability, producing gold-winning athletes and award-winning alumni.

We're one of the fastest growing universities in Australia, growing to over 2,000 people

across 5 campuses in South East Queensland.

Teaching excellence is at the heart of what we do, and our commitment to sustainability is integrated into our teaching, research, and daily operations. According to the 2023-24 Good Universities Guide we are Australia's highest rated public university for postgraduate teaching quality, skills development and student support and Australia's number one public university for overall postgraduate student experience. Our research tackles the most pressing challenges of our time, with 26 research fields ranked at or above world standard according to the Excellence in Research for Australia Rankings. In 2023 we recorded the biggest improvement in Australia for research quality, moving up more than 331 places in the world rank.

At UniSC you will have the opportunity to shape the educational landscape and inspire the minds of future generations. We foster a collaborative and supportive environment, encouraging continuous professional development and providing resources to enhance your teaching and research endeavours.

We recognise and value the contributions of each team member to our culture and success. We're not afraid to be different, and we're looking for people who share our values and want to be part of a team that is working together to improve our local and global challenges.

Culture & Benefits:

Our collaborative, passionate and welcoming culture is what really sets us apart.

Modern teaching & research facilities.

Professional development and career pathway opportunities.

We are a proud recipient of the prestigious Athena SWAN Bronze Award, granted as part of the Science in Australia Gender Equity (SAGE) initiative.

EAP & discounted private health.

UniSC is an equal opportunity employer, committed to diversity and inclusion. We encourage applications from all backgrounds, including those with disabilities, women in STEM, First Nations Peoples, and individuals of diverse cultures, genders, abilities, and experiences. We value achievement relative to opportunity and encourage your commentary on your achievements in this context. For additional support during the application process, please contact us at unisc-careers@usc.edu.au or call +61 7 5430 2830.

Contact People and Culture for further information usc-careers@usc.edu.au

We would love the opportunity to get to know you better, but we know it works both ways. To get to know a little more about us, visit us at
