About the Technical Community at Beach Energy

This Expression of Interest is designed to help us connect with Geoscientists, Surface, and Subsurface Engineers across a wide range of disciplines for future opportunities.

Bring your wealth of experience to Beach Energy within these technical disciplines. In doing so, you could be working on exciting projects in a variety of basins to enhance your professional development. If you thrive in a dynamic environment, are inspired to work creatively, and feel your professional values are aligned with ours, we encourage you to lodge your expression of interest.

Please note these are not roles we are actively recruiting is an Expression of Interest for future vacancies.

If you are interested in any of the following disciplines at Beach, please lodge your expression of interest.

Geologists / Geophysicists / Petrophysicists

GIS Specialists

Technical Assistants

Reservoir and Drilling Engineers

Completion and Well Intervention Engineers

Production Optimisation Engineers

Instrument, Electrical and Control Systems Engineers

Process and Chemical Engineers

Pipeline & Subsea Engineers
