

Expression Of Interest - Technical

[Apply Now](#)

Company: Beach Energy

Location: South Australia

Category: other-general

About the Technical Community at Beach Energy This Expression of Interest is designed to help us connect with Geoscientists, Surface, and Subsurface Engineers across a wide range of disciplines for future opportunities. Bring your wealth of experience to Beach Energy within these technical disciplines. In doing so, you could be working on exciting projects in a variety of basins to enhance your professional development. If you thrive in a dynamic environment, are inspired to work creatively, and feel your professional values are aligned with ours, we encourage you to lodge your expression of interest. Please note these are not roles we are actively recruiting - this is an Expression of Interest for future vacancies. If you are interested in any of the following disciplines at Beach, please lodge your expression of interest. Geologists / Geophysicists / Petrophysicists GIS Specialists Technical Assistants Reservoir and Drilling Engineers Completion and Well Intervention Engineers Production Optimisation Engineers Instrument, Electrical and Control Systems Engineers Process and Chemical Engineers Pipeline & Subsea Engineers Mechanical Engineers Rotating Machinery Engineers We often have current vacancies within these disciplines therefore we would encourage you to formally apply to direct vacancies if they are of interest, in addition to this Expression of Interest.
