Field Service Technician

Immediate Start

A well renowned Global organisation within the manufacturing industry located in the Northern suburbs of Perth are seeking to expand their trades team with the inclusion of a Field Service Technician.

The role will revolve around displaying a high level of customer service by servicing, inspecting and accomodating to breakdowns & repairs of Heavy Machinery. In addition, other aspects will include:

General documentation & reporting through detailed analysis

Stock Take and Vehicle Audits

Troubleshooting & Testing

The nature of this role will cater to the right candidate who conveys a high sense of mechanical aptitude within the industrial field. Ideally, as the position is servicing various hydraulic and heavy machinery, having a good understanding & knowledge of schematics would be extremely beneficial.

To be considered for this role, you must possess:

A Certificate III in Mechanical Engineering or Similar Qualification

Valid Drivers Licence

Full working rights in Australia.

If this Field Service Technician is of interest, please forward your CV to
gus@smsprofessional.com.au.
