Working closely with the current Financial Accountant, your duties will include;

Report and maintenance of: Cashflow, WIP spreadsheet, Business Summary, P&L, Balance sheet, End of project review, business performance - budget vs actual etc.

Business forecasting and budgeting

Liaise with external accounts, solicitors, auditors and insurance providers

Investigate, Review, report and Implement Business process improvements and new finance systems

Assist the finance Director with a range of process improvements and automation initiatives to enhance the performance across the business

Preparation of fortnightly payroll including taxation, superannuation and management of employee entitlements holidays etc

Annual review and maintenance of business contracts

BAS preparation

AP / AR monitoring

### **About You**

At least 5 years' experience in a similar role

Construction industry experience is preferred but not essential

Tertiary qualifications required (CPA would also be a bonus!)

Strong attention to detail

Able to work autonomously and collaboratively

MYOB Advanced experience is highly desirable

### **Remuneration & Benefits**

Remuneration based on experience and negotiable from \$80,000 + superannuation

Office based in Wetherill Park

Career growth & opportunities

Great team & working culture
