Company: Newmont Corporation

Location: Halls Creek

Category: other-general

At Newmont, our purpose is to create value and improve lives through sustainable and responsible mining. One of the largest gold companies in the world, we pride ourselves on our dedication to safety, environmental management, inclusion and diversity, and adding value and opportunity to our host communities. Newmont Tanami is on Aboriginal freehold land 540km northwest of Alice Springs. It is a long-life, low-cost, world-class asset in a core Newmont region. The Tanami Expansion 2 project, aims to extend the mine life beyond 2040, investing in a hoisting shaft which will increase the production of the underground mine from 2.6 Mtpa to 3.2 Mtpa. Both the successful exploration within the underground operation and implementation of the first Tanami Expansion has laid the foundation to further develop the operation to remain a major contributor to the Newmont portfolio. A fully equipped camp is located 40km from the site offering leisure facilities for those flying in from Perth, Brisbane, Alice Springs or Darwin.

About the Role Reporting to the Fixed Plant Maintenance Supervisor, the mechanical fitter is responsible for providing safe efficient mechanical services involving the repair, servicing and maintenance of Newmont Tanami's fixed plant surface and underground equipment. Equipment may include but not limited to pumps, batch plant, crusher, conveyors, paste plant, primary ventilation fans and ancillary items. In this role, you will monitor and assess equipment performance. Adhere to the work management process, including, but not limited to, completion of daily time confirmation with the correct job numbers, accurate time recording and work history. Work efficiently and perform work to a high level of quality with sound organisational skills. Supervise and provide on-job training for apprentices. Perform the role of task lead during shutdowns, ensuring work performed is

completed safely and to a high level of quality. Conduct workplace inspections About You Hold a relevant trade qualification Previous mining experience required- Underground experience preferred Experience with pump rebuilds highly regarded Current AUS drivers licence Excellent communication skills, both oral and written. Ability to work unsupervised and to analyse a task and understand safety and job requirements. Working Conditions This role is based at our Tanami operations and offers an 8:6 rotational roster with multiple FIFO options available from Perth, Brisbane, Darwin & Alice Springs. We offer a competitive remuneration package inclusive of allowances, company bonus (STIP) and top tier private health cover. Applications close Thursday, 25 April 2024 with shortlisting to commence immediately. We understand no candidate will meet every single desired qualification. If your experience looks a little different from what we've identified and you think you can bring value to the role, we'd love to learn more about you! Our business success comes from the accomplishments and well-being of our employees and contractors. Our goal is to build a workplace culture that allows every person to thrive, participate, grow, and proudly play an active role in achieving our strategy. Newmont is an Equal Opportunity Employer. We are committed to recruiting, hiring, placing and promoting the best individual for each position without regard to personal characteristics such as gender, race, nationality, ethnicity, social and indigenous origin, religion or belief, disability, age, sexual orientation, etc. We invite women and applicants with diverse backgrounds to apply, particularly persons of Aboriginal and Torres Strait Island descent. Newmont acknowledges Aboriginal people as the first Australians and respects their unique relationship with the land and sea, their culture, spiritual tradition and stories.
