About the Company:

Our client is a leading specialist in the production of precast concrete products for commercial and industrial projects. We are committed to delivering high-quality, innovative solutions for our clients in the construction industry. Located in Carole Park, our company has a strong reputation for excellence, and we are now looking for a dedicated Gantry Crane Operator to join our team.

What You Will Be Doing:

As a Gantry Crane Operator, you will play a crucial role in our daily operations. Your responsibilities will include:

Duties:

Loading trucks with precast concrete products.

Safely and efficiently loading panels into storage racks.

Adhering to strict safety protocols to ensure a secure and productive work environment.

Operating a gantry crane to move heavy materials with precision and care.

What You Will Need:

Gantry Ticket (High Risk Bridge/Gantry (CB)

Valid Working at Heights certification (within the last 2 years).

Drivers License and reliable transport for commuting to the workplace.

Physical fitness as the work involves heavy lifting, labor-intensive tasks, and exposure to hot working conditions.

If you are a dedicated and safety-conscious Gantry Crane Operator looking for an exciting opportunity with a leading precast concrete specialist, we encourage you to apply.
