Apply Telehealth Opportunity Job no: JM6HB Category: Aged Care About Us Join a company that is really making a difference in the lives of elderly residents. We are Australia's leading Telehealth provider and are enormously proud to support elderly Australians nationwide with access to technology and leading medical practitioners. Our passionate team are looking to expand along with our services. We are committed to providing superior medical care to elderly Australians and are looking for motivated and dynamic people to help grow this very exciting business. Our Access Aged Care team are providing co-managed primary care services to residents in Aged Care facilities throughout Australia. The Role We are searching for geriatricians to provide regular hours for telehealth services in nursing homes. We manage the entire schedule and service and provide you with full support from your own nurse at the patient end. Presently we are seeking Geriatricians who can commit to a minimum of 3+ hours per week and are looking for flexibility. This role is similar to a hospital ward round, only virtual, and will see you writing progress notes and managing acute issues whilst completing your virtual round. We provide all the software, support, and training you will need. Next Steps To discuss the role in more detail and find out about our generous referral bonus option, please reach out to ***** for a confidential discussion about our service.
