Great vacancy GIS Analyst - Mackay/Townsville/ Darwin hiring nowGreat vacancy GIS Analyst - Mackay/Townsville/ Darwin hiring nowSLR Careers Applicant PortalJob Details: GIS Analyst - Mackay/Townsville/ Darwin Full details of the job. Job Title GIS Consultant - Townsville, Darwin or Mackay Vacancy No VN3429 Employment TypeFixed-TermContract TypeFull-Time Advert Job Description About the business & roleSLR is an employee-owned, international, environmental consultancy with a globally recognised reputation for providing high quality tailored services. With offices in Asia Pacific, Europe, North America and Africa, SLR is one of a very small number of truly international specialist environmental and advisory consultancies. We provide global consultancy advice and support on a wide range of strategic and site-specific issues to a diverse and growing base of business, regulatory and governmental clients. We have a great opportunity for a GIS Analyst to join our team in our friendly Townsville, Darwin or Mackay office (depending on location of applicant for a 12 month fixed term contract. All 3 of these unique offices have a culture that is relaxed and laid back, but full of Technical Experts, particularly in the area of Mine Closure & Rehabilitation. You will work closely with the rest of our supportive GIS team located in Brisbane/ Melbourne/ Wollongong. You will also work collaboratively with our Townsville/Mackay and wider APAC based Environmental Consultants on our range of interesting and multi-discipline projects across the APAC region. Key Responsibilities ResponsibilitiesYou will be a self-sufficient consultant who can work autonomously and be proactive in working with local teams and the wider APAC group. You will bring a positive energy and drive to do great work as well as be responsible for the following: Data management, Data manipulation and conversion,Spatial

analysis, Preparation of maps and figures for reports, Client liaison (internal and external).
Skills and experience Ideally you can demonstrate working at a proficient level within a consulting environment and have ambition to keep progressing your career by challenging yourself as well as having: Degree in Geographical Information Systems qualification or similar tertiary qualification Minimum of 3 years' experience A high level of experience with ESRI ArcGIS Desktop, ESRI Pro, QGIS and other GIS applications (Enterprise, AGOL and Field Maps) Attention to detail and willingness to produce high quality cartographic outputs Skills in writing scripts in python, ArcGIS Model Builder and programming (desired but not essential) Knowledge of computer aided drafting (CAD) software packages High level of written and verbal communication skills Diversity in project background experience that can be applied across a range of project types Australian working rights Benefits Our culture is unique where we work together to collaborate on projects to get the best possible outcome for our clients. Whether you're working in the office, from home or a mix of the two, we recognise that every person is different, and our benefits aim to ensure that we cater for all, including Hybrid work model (in-office & from home) - you choose where you work best. Extra paid purchased leave up to 10 days so you can re-energize, help others, support family, or focus on your own professional development. Inclusive parental leave policy that supports all parents throughout their parenting journey which includes 12 weeks primary carer and 4 weeks secondary carer leave. Learning and development which includes a mapped career progression path, study assistance and up to 3 professional memberships subsidised by SLR. Employee Assistance Program to support your physical, mental, and social wellbeing. Global and regional mobility and recruitment referral bonus for both region and global candidates. Other benefits include regular office social events, service anniversary awards, salary sacrificing (novated car lease) and a corporate uniform shop where you get \$80 annually to spend. We make hiring decisions based on your experience, skills and passion. Please note that interviews are conducted with gender diverse interview panels to the best of our ability. Country Australia Office Darwin; Mackay; Townsville
