The location

A fantastic opportunity for any UK trained GP looking to the make the move to Australia.

Here you can enjoy the best of both worlds. Choose to live in this lovely area close to lakes and the coast and visit Sydney at the weekends.

The surgery is less than 10km from the beach with great access to shops, surf beaches, good schools and international golf courses. There are lovely surrounding suburbs including Lake Haven if you don't want to live too close to the surgery.

The region is a network of towns about 90kms from Sydney that have been linked in recent years by expanding suburban development. The main cluster of the region includes Gosford, Wyong, Tuggerah, Lakehaven, The Entrance, Terrigal, and Woy Woy. The area is also a popular tourist destination, and a popular area for retirement. As a result, the cultural identity of the region is distinct from that of the large and diverse metropolis of Sydney.

What Head Medical can do for you

Arranging a position overseas is very exciting, but we understand that it can also be daunting and time consuming. We're the UK's specialist in international medical recruitment and we've helped many Doctors relocate since we first started out in 2008 (you can read what people have said about working with us on our testimonials page). We know it's important to balance career opportunities with lifestyle and we'll talk through your plans and will get to know you to make sure we find the right role in the right location.

Once we have secured a job for you, we'll manage the Medical Registration and Visa application process, and support you (and your family) with the relocation itself.
