The Location

Margaret River is brimming with top wineries and craft breweries, gorgeous beaches, and plenty of adventure. It is a picturesque and diverse area, offering visitors an array of natural wonders and cultural experiences. The towering tall tree forests contrast beautifully with the vibrant wildflowers, while the stunning coastline boasts sandy beaches, rounded boulders, and clear ocean waters. Inland, vineyards and cellar doors are framed by sprawling vines, and offer some of the best dining experiences in Western Australia. At the heart of this natural paradise is Margaret River town, a charming and relaxed community with a deep passion for surfing and wine.

The main street of Margaret River town is home to diverse galleries, characterful cafes, produce providers, surf shops, a pub with an extensive wine list, and an excellent local ice-creamery. Residents and visitors alike can often be found at the popular Saturday Farmers Markets. A short drive away from town are some of the region's top surf breaks, including Surfer's Point, where the World Surf League championships are held each year.

For wine lovers, the premium wineries of Cullen, Vasse Felix, and Moss Wood are just a short drive off Caves Road. In addition to these established winemakers, there are also newer and lesser-known wineries to explore, including Cherubino, Mr Barval, Fine Wines, and Passel Estate. In total, the Margaret River region is home to over 200 vineyards, making it a wine lover's paradise.

The coastline of the region is also a natural wonder, with a long whale-watching season from June to December, during which humpback whales can often be seen leaping out of the water. On land, wildflowers bloom along the Cape-to-Cape Track and the Wadandi Track, a local secret, from August to November. The Margaret River region is situated in one of the world's 36 biodiversity hotspots, and the region's terracotta soils hide remarkable limestone caves with stunning stalactites and stalagmites.

The practice is located in the centre of town and is an easy 3 hour Coastal Drive to Perth (I've been lucky enough to visit and drive this journey more than once).
