Company: Ochre Recruitment

Location: Australia

Category: healthcare-practitioners-and-technical

Choose your days and sessions

DPA | MMM5 location

Eligible for RVTS, ACRRM Independent Pathway and more

The Opportunity

Ochre Medical Centre St Marys is looking for a GP/rural generalist to join its small and dedicated team to help cope with demand. Whilst full-time would be preferred, part-time will also be considered.

The practice is co-located with the St Marys District Hospital/Community Health Centre and operates Monday to Friday from 9.00 am – 5.00 pm. The hospital is a Tier 2 facility with 8 acute/sub-acute beds and an emergency department. Medical support is provided to the hospital as “on call”; this includes weekends when the practice is closed. Outreach and part-time services are available to support patient-centred care.

Ideally you will work 8-10 sessions during the week, sharing the after hours and weekend on-call (currently with locums). As the medical officer on call, it is expected that you will be able to attend the hospital within 30 minutes or less and be able to manage acute and/or sub-acute presentations independently. During periods of on-call, a house is provided for those medical officers who do not meet the 30 minute requirement.

Features

Competitive remuneration based on percentage of gross billings received: 65% for VR, 60%

for non-VR

Rural Medical Practitioner payments for hospital work

Workforce Incentive Payments

Eligibility for Rural Procedural Grants Program

Eligible location for the HR+ Health Workforce Scholarship Program, which offers generous funding for health professionals looking to extend the skills and services they can offer their community.

Eligible location for the RVTS and ACRRM IP

Eligible location for the Five Year International Medical Graduate Recruitment Scheme – in this location, your 10 year moratorium can be reduced to 4 YEARS from the time of joining the Scheme.

Ochre Medical Centre St Marys is accredited by AGPAL and administrative support is provided by the community health centre. A treatment room offers the opportunity to perform procedures. Pathology is collected every weekday and sent to Launceston, and x-ray is available 40 minutes away. The practice operates a mixed billing model and software used is Medical Director.

The co-located St Marys Community Health Centre offers 8 acute/sub-acute beds and an emergency department, physiotherapy and visiting services, along with Community Nursing, Day Centre, Home Help/Personal Care and the Tasmanian Lymphoedema Centre.

Life in St Marys

The small town of St Marys (population 700) is situated beneath the rocky outcrop of St Patrick's Head in Tasmania's north-east. It is located about 1.5 hours from Tasmania's second largest city, Launceston, via the fertile Fingal Valley and just 10 kilometres from the beautiful east coast. A farming community where the locals are friendly, strong heritage from Tasmania's colonial days is evident and in town you will find some great cafes, quaint shops and galleries and a grand old pub. The district school caters from kindergarten through to grade 12, with a local school bus available.

What to do in your spare time? A variety of excellent nature walks can be found close by.

There are two national parks to choose from, tall peaks with panoramic views,

waterfalls, coal mining heritage sites, beautiful beaches, fishing and mountain biking trails at St Helens and Derby

Suitability

General or specialist registration with AHPRA

Current emergency medicine certificate and recent relevant experience

If this sounds like something you would be interested in contact Katitia Cortes on 0407 897 416 and quote job reference number JREF-110160.

Perhaps you are looking for something a little different?

We have plenty more roles available so do get in touch so we can furnish you with more relevant opportunities.
