Your new company

Join this internationally recognised Big-4-Bank who are committed to providing the best service and assistance to new and existing customers and businesses. Diversity, flexibility and innovation are just some of the reasons why people love coming to work with them.

You will be encouraged and supported in bringing your whole unique self and ideas to work every day. Their aim is to make a positive difference for their customers, their employees and the wider community which is at the centre of everything they do.

Your new role

If the words 'stocks, shares, bonds, warrants, derivatives, self managed funds, securities and investment packs' spark excitement in you then this role is for you! Due to continued growth this small team is looking for someone with a passion for all things trade. To sum up your daily contribution this role will see you provide stellar customer service for this leading financial institution. As an Associate you will manage the end to end delivery of Trade Solutions.

Some of your responsibilities will include:

- Providing excellent service to clients on their trade finance needs, including imports, exports and trade advances

- Transaction processing and facility implementation of traditional and structured trade finance products

- Assist with client account management and support sales channels

Collaboration with product management, operations and sales teams to ensure growth

Comply with bank policies, controls and frameworks

Your skills and experience

Having recently completed a finance degree will make you stand out

You have a general awareness of trends and developments in the trade finance industry

You're open minded, have a can do attitude and are eager to learn

You enjoy taking on a challenge and pride yourself on your superb customer service

Your benefits

Flexible working: 3 days in the office, 2 from home each week

No weekend work: core working hours are between Monday-Friday

Thorough onboarding training with your buddy

Being part of one of the most inspiring environments in the banking industry

You will love it there!

Your next step

Does this sound like something you are interested in? If the answer is 'Yes' then we would love to hear from you!
