Job Summary

- Circa mid \$200's package- North West Sydney Location- Defined WFH flexibility & Modern work space

Your New Employer

West Technology has been exclusively engaged to recruit a new Head of IT to manage the IT function for the ANZ region and ensure the execution of the global IT strategy. The business is part of a global matrix organisation that employs over 5000 people, with over 400 people across Australia and New Zealand. This business is led by a team of passionate and committed professionals and is continually recognised for operational excellence and high performance throughout the group.

The Opportunity

Reporting to an offshore CIO with a dotted line to the local Managing Director, the Head of IT will have P&L ownership of the ANZ IT function, which supports a user community of more than 400 seats. This role will sit on the local leadership team that will drive change and innovation across the region.

Some of the key responsibilities will include: Plan and execute the annual IT program Align with peers across other regions for global IT initiatives Ensure that the local IT

strategy is compatible with the global IT strategyDrive all technology change management and transformation across the ANZ regionProvide leadership & support to the local IT team  
The Successful ApplicantWill hold a technology related tertiary qualificationComes with experience leading an IT function that supports a user base of 400 + seats.Is a financially astute IT leader with P&L ownership experience.Can provide strategic leadership and build highly effective relationships with business leadersIs passionate about new technologies and understands how to effectively manage change & transformationIf this sounds like your next career move, apply on the link below or reach out to Dean Mumford on 0450 901 035 for a confidential discussion.All Rights Reserved | West Recruitment Pty Ltd
