Digital Metro North (DMN) works collaboratively with clinical leads and end users across Metro North Health to deliver the Digital Metro North Strategy 2018-32. The strategy aims to ultimately deliver an integrated digital hospital and healthcare environment across Metro North by 2032. Over the coming years, significant capital works are being undertaken, including hospital construction and refurbishment and the implementation of the ieMR Advanced solution across all Metro North facilities. Achieving the aims of the strategy requires a dedicated team with the knowledge, determination, and skills to deliver quality results. Key knowledge and experience
