

## Learning Support Teacher [Permanent Full Time Opportunity]

[Apply Now](#)

Company: Oneschool Global

Location: Officer

Category: other-general

### **REDISCOVER THE JOY OF TEACHING AT ONESCHOOL GLOBAL**

Take the next step in your education career within an innovative pedagogy, where students are not only eager to learn, but take ownership of their learning.

Together with a healthy work/life balance, smaller class sizes, strong engagement from the school's leadership and school community, our teachers are supported to be the best educators they can be.

Globally, OneSchool has 125 campuses, 9,000 students and 2,000 staff and volunteers, across 20 countries... a world of opportunity awaits you at OneSchool Global!

#### **The Campus:**

The OneSchool Global Berwick Campus is situated in the small town of Officer. Over the last 10 years it has grown significantly, now providing students with state of the art, purpose-built learning facilities. Integrated with the latest educational technology supporting the ability to teach in a future-proof innovative space, the Campus boasts vibrant teaching areas for both primary and secondary students. Offering that small school atmosphere, our current student numbers total only 120 students.

#### **The Position:**

We have an opportunity for an experienced Learning Support Teacher to join our amazing Berwick team on a full-time, permanent basis.

This position will be responsible for running interventions for students, providing program support to teaching staff and coordinating our learning aides in both our primary and secondary departments from Years 3 to 12.

## **About You:**

All applicants will need an excellent understanding of the Australian Curriculum and Syllabus, and have extensive experience as a Student Support Officer with relevant qualifications.

In this role, you will be skilled in the ability to identify and evaluate student needs, differentiate instruction for students along all parts of the learning spectrum, collect, analyse and effectively utilise data, create and implement individualised education plans and be able to provide professional guidance to staff.

You will need to be comfortable stepping away from traditional classroom teaching practices, to embrace modern teaching methods and technologies including video conferencing and online resources.

## **What we offer:**

Competitive remuneration

Smaller class sizes

Positive work environment

Great work-life balance and a focus on wellbeing – no after school or weekend sport and limited out of hours school activity primary sc

Signature pedagogy – evidence-based, self-directed learning framework

Collaboration – with teaching colleagues nationally and internationally

Professional Growth – Dedicated Teacher Academy providing free, ongoing professional learning, combined with strong career advancement opportunities.

High-quality, technology-empowered learning environments

Students who are eager to learn and engaged in their learning

Our School has a clear vision and our values are the heart of everything we do. Our culture is supportive and dynamic, and our success is enabled by an engaging, passionate team approach.

If you have a genuine love of teaching, possess a can do attitude and ability to be flexible within a dynamic workplace environment, please apply today.

Below are a couple of testimonials from the teachers at our Berwick Campus.

“I have been a teacher all my life; 16 years to be precise and I can say that I have never worked with any school like OneSchool. I have rediscovered my passion for teaching at OSG with high quality innovative teaching models, lots of opportunities for both personal and professional growth and the overall environment makes you feel so valued. The students, the families, the leadership and my colleagues everyone is so supportive and caring. It feels like I am a part of a big family.”

At OSG, I am able to make use of highly developed ICT methods for planning & delivering lessons, along with providing feedback to students. The facilities are well maintained and help keep my teaching synchronised with a fast-changing world.
