[Apply Now](#)

Company: Taylor Root

Location: Australia

Category: other-general

The Business

Our client is a leading, global renewable energy business headquartered in Europe. You can work out of either Sydney, Melbourne or Brisbane.

The Opportunity

Strong career progression opportunity, to join a high calibre legal team here in Australia, working on major renewable energy projects.

This is a great opportunity to join an ethical company, who are making a positive impact on the world. This business is at the forefront of innovation in terms of the deals they are structuring. This is cutting edge work and great for your own career progression, particularly if you have an interest in the renewables space. You will also have the opportunity to get involved in the strategy of a project and contributing to decision making.

Key Responsibilities

Transactional work on major renewable energy projects and assisting with financial close of complex transactions.

Drafting and negotiating various commercial contracts including sale and purchase agreements and joint ventures.

Provide legal advice to the operations, commercial and technical teams.

Build strong relationships internally and manage external legal counsel.

Ideal Candidate

Admitted to practice in Australia or New Zealand.

Junior or mid-level corporate lawyer with experience of working on large scale infrastructure projects.

Experience working on renewable energy projects would also be advantageous although is not essential.

Strong, confident communicator who is able to work well autonomously and as part of a team.

Excellent attention to detail.

If you are interested in applying for this role, please send your CV to Olivia Courtney by emailing

The SR Group (UK) Limited is acting as an Employment Agency in relation to this vacancy.
